

Summer Adventures in Learning 2008

DATES: July 8th through August 14th
AGES: 6-14
DAYS: Each class meets every Tuesday, Wednesday and Thursday for 6 weeks
TIMES: Program hours are 9:00am to 2:45pm with a half-hour break for lunch. All classes are 45 minutes long.
WHERE: Pine Grove Middle School 6318 Fremont Road, East Syracuse, NY

The following classes will be offered:

- READING:** Orton Gillingham, Process Phonics and the Wilson approach will be used to teach reading in a structured, multi-sensory, phonetic manner.
- MATH:** Multi-sensory methods for teaching math will be used to increase understanding, develop skills and practice concepts.
- STUDY SKILLS & WRITING STRATEGIES:** Learn, practice and apply effective study strategies. This class will emphasize setting goals, managing time, actively listening, note taking, test-taking strategies, and tips on how to organize writing pieces.
- COMPUTERS:** Learn computer skills using the latest learning software. The computer classes will reinforce writing, spelling, grammar, reading, math and keyboarding skills.
- SOCIAL AWARENESS:** Learn how to identify your strengths and weaknesses (with emphasis on strengths) and how to apply this knowledge to interact successfully with others.
- ART:** Learn to express yourself creatively! Relax and enjoy the therapeutic benefits of hands-on art projects that utilize painting, drawing, clay and other sources of media that will bring out the artist in everyone!
- MUSIC:** Learn to explore rhythm and movement through music to uncover hidden talents! You do not need to know how to read music to participate in this class.
